

Conference Reviews

Sun International - Karen Terry-Kramvis:

“Conferecing with style and personality.

We have been to Stonecutters on several occasions for our annual strategic isolation meeting. We keep coming back due to the fantastic food, great location, peace of mind that everything will be looked after, unrivalled service and the personal nature in which Margi and Lesley (Owners) take care of all their guests. A must go to place for out of the box thinking and teammates building on another level. Try their new team build, PhotoGame designed for the individual corporate needs.”

Medinox - Michelle George, Marketing Manager:

“What a fantastic conference venue!

Selecting Stonecutters Lodge for our annual sales and marketing conference was the best decision! We spent 3 days and 2 nights @ Stonecutters, and from the start we found the service to be professional, personal and friendly. The staff went out of their way to assist us with various requests. The venue is small enough to offer peace and tranquillity, but at the same time big enough to host a professional conference. The modern boardroom has all the latest technology necessary for presentations and facilitating successful work sessions. Our delegates also loved the clay pigeon shooting which was arranged for us by the Stonecutters team. They also took full advantage of any opportunity to go fly fishing from the venue’s dams. Accommodation was warm, cosy, clean and comfortable. Underfloor heating on a winter’s eve was magic! Then there’s the food to talk about - wow! We were spoiled with scrumptious meals, each beautifully presented! Overall, our delegates commented on the fantastic venue, amazing service, and we thank Margi, Lesley and the team for an unforgettable conference!!!”

Norgay Consulting - Josh Hayman, Director:

“After completing a long and stressful programme, I want to take the opportunity to thank you and Margi and all of the other staff at Stonecutters Lodge for all of the care and attention you gave us and our client during all of the conferences we’ve held at your lodge over the last two years .Dealing with the diverse and demanding group of participants we had, the long hours of sometimes finishing work at 1am in the morning, the consistent stream of unusual requests as well as having to deal with two venues at Trout House and Stone Manor must have been very hard work but nothing that we asked you and your staff was ever regarded as difficult or too much trouble, and your service throughout the process has been fantastic. I believe in the end we held about 16 conferences, putting some 50 people through the programme. Feedback from the participants has always been exemplary. The food was always varied, interesting and beautifully prepared; the accommodation clean, modern and comfortable and the friendly service a welcome distraction from the pressures of the conference programme. I am very much looking forward to beginning our next round of conferences later this year with you.”

African Rainbow Minerals - Vic McDonald, Company Secretary:

"Stonecutters Lodge was the perfect choice for our seminar. Taking over the entire lodge for our small group made us feel totally relaxed and the flexibility shown by the staff certainly contributed to the success of our conference. The facilities were outstanding as was the food. I liked the personal touch of everyone being called by their first name - it made us all feel very welcome. All in all, very professionally handled!"
